Kathy Murphy, Chair of the Board, SYRACUSE 20/20 - currently leading staff support to Consensus

Consensus, the Commission on Local Government, was created in 2014. Its goal is to shape a vision for more effective and efficient governance across Onondaga County. After years of development and 18 months of citizen-led review and discussion, the City of Syracuse and Onondaga County stand at the forefront of communities across New York State and around the country in considering a merger of their governments.

The release of the [Preliminary Options Report](#) on January 26 marked the beginning of a robust public comment period which will conclude on May 1. Based on public feedback received during this time, the Commission will issue a final report to the community.

Ms. Murphy and her colleagues will lead a discussion of the opportunities and barriers presented by the possibility of a merger, as well as the implications for the rest of New York State.

He will provide an overview of the toll this is taking on our communities and what is being done to combat the problem. He will also invite families who have been victimized by the epidemic to join him and share their stories with ALLUNY.
